

Melbourne Art Festival

April 27 & 28, 2013

Celebrating 29 years

We are looking forward to spending the festival weekend with you! We couldn't put this event on without the financial support from Event Sponsor, **Bright House Networks**, as well as the strong backing of other sponsors and community members. See you in two weeks along New Haven Ave. in Downtown Melbourne!

Attention Students!

The MAF provides credit hours for school or honor programs. We need you and hundreds of other volunteers age 14 and up.

Volunteer at the festival! We need hundreds of weekend volunteers to get it done: prep for the 5K run in the early hours of Saturday, sell soft drinks or beer, help with kids crafts, collect statistics, and lots more.

Go to www.melbournearts.org to sign up, then report to the Volunteer Tent at the very west end of New Haven Ave. near the Festival Bus Stop and Henegar Center fifteen minutes before your volunteer time. Spread the word!

Special Note Regarding the Railroad: Per the Florida East Coast Railroad, DO NOT walk alongside the railroad tracks or cross the tracks anywhere other than where designated in a walkway. To do so is trespassing and you will be subject to a large fine or arrest by the FECR.
